

RAILWAYS ORDINANCE (Chapter 519)

(Notice under Section 6(4))

RAILWAY STATION AT SIU HO WAN

Notice is hereby given that the Secretary for Transport and Housing proposes to construct a new railway station at Siu Ho Wan as described in the scheme and shown on General Layout Plans Nos. SHO-G01 to SHO-G04 inclusive; and Control of Building Plans and Commencement of Work Plan No. SHO-P01 (the 'Plans') annexed thereto. The scheme and the Plans have been deposited in the Land Registry.

The general nature and effects of the scheme are as follows:

The proposed railway station at Siu Ho Wan includes the following works within the boundaries of scheme:

- (a) construction of part of the above ground railway station at Siu Ho Wan;
- (b) addition of tracks and turnouts for bifurcating Tung Chung Line from shared track of existing Airport Express Line and Tung Chung Line;
- (c) railway track formation works, earthworks, civil and structural works, electrical and mechanical works;
- (d) construction of other associated railway facilities, including means of access for fire fighting and rescue, means of escape, trackwork, train control and communication facilities, and electrical and mechanical plants;
- (e) associated reconstruction, modification and realignment of existing roads and facilities including carriageways, flyovers and footpaths;
- (f) preventive or remedial works including strengthening of existing structures and ground treatment; and
- (g) ancillary works including associated drainage works, waterworks, slope works, landscaping works, other road works, and demolition and reprovisioning of existing services and facilities.

(Note:

This note is for information only and does not form part of the scheme. Apart from the works referred to in the above, the proposed railway station at Siu Ho Wan also includes

the following works outside the boundaries of the scheme, which are within the existing railway area specified in the Schedule of the Railways (Exemption) Order (Chapter 519A) and will be carried out with the works referred to in the above:

- (a) construction of the remaining part of the above ground railway station at Siu Ho Wan, and the associated station entrances;
- (b) associated modification works of the existing Siu Ho Wan Depot (Lot No. 143 in Demarcation District 346) for accommodating the proposed railway station and associated railway facilities at Siu Ho Wan;
- (c) addition of tracks and turnouts for bifurcating Tung Chung Line from shared track of existing Airport Express Line and Tung Chung Line;
- (d) railway track formation works, earthworks, civil and structural works, electrical and mechanical works;
- (e) construction of other associated railway facilities, including trackwork, train control and communication facilities, and electrical and mechanical plants;
- (f) associated reconstruction, modification and realignment of existing roads and facilities including carriageways, flyovers and footpaths; and
- (g) ancillary works including associated drainage works, waterworks, slope works, landscaping works, other road works, and demolition and reprovisioning of existing services and facilities.)
